

Week at a Glance
Week of December 7, 2015

Dear families,

Please continue to have your students practice their multiplication facts this week on Xtra Math. I have posted their pin numbers and the website on Google Classroom.

Have a good week!

Best regards,

Mrs. Longest

Important Dates:

December 9, 2015 – After School Activity Clubs – 4:05pm – 5:05pm

December 14, 2015 – FluMist Clinic at GPES, 9:00pm – 3:00pm

December 14, 2015 – Grades 4 and 5 Chorus Winter Concert

Reading

This week we will be reading a second poem and comparing and contrasting it to the ones we read last week. We will examine structures, point of view, and theme.

Math

In Math we will use customary units of measure to convert measurements (e.g., inches to feet, yards to feet, pounds to ounces, gallons to quarts, etc.)

Writing

We will begin the week with prepositions and move into researching information on communities in Maryland. We will use this information to write a community profile.

Words Their Way

Students received their WTW LAST MONDAY. WTW will be due on Friday, December 11. If your child has misplaced their assignment list, you can find it on my website.

Science

We will describe how human and natural activities cause negative changes to our environment
