

Week at a Glance
Week of January 18, 2016

Dear families,

I hope everyone enjoyed the long weekend. This week will be a busy one. We will finish up our business presentations and **students will present their businesses at the Investor Conference on January 29th**. The Conference will take place in the APR (cafeteria) from 2:30pm – 3:30pm. All fourth grade students will have their display boards set up and will speak about their business. Bring your checkbooks; they might talk you into investing! ☺

Best regards,

Mrs. Longest

Dates to Remember

January 20, 2016 – After School Clubs 4:05pm – 5:05pm.

January 21, 2016 - Grade 4 MAP- R testing – 9:45am – 11:30am.

January 22, 2016 – Last day of marking period 2.

January 25, 2016 – Professional Day for teachers. **No School for students.**

Reading

We will use key details to identify the main idea and summarize our explorer texts.

Math

We will continue to divide three and four digit numbers using divisors of 6-9. We will use area models to help with an understanding and real-world application of/for long division.

Writing

We will finish our business project boards and write a narrative.

Vocabulary - No Words Their Way

We will begin learning different prefixes and how to use prefixes to identify what a word means. In class we will complete activities for the prefix "pre".

Science

Last week students read articles, then preformed an investigation to see how oil impacts animals in an ecosystem. This week we will propose and investigate ways of cleaning animals that have been covered in oil. We will also do research to see what pollution has impacted the Chesapeake Bay.
